### Helmet Campaign

Posters have been distributed to various sources, and we've seen good media uptake on the campaign. We are happy with the campaign and we hope it has the desired outcome. If one life is saved or injuries reduced then the campaign is a success. We want to thank our partners, SGI, SPRA, and Sask Lotteries for their support and patronage. We have posters left (see below) so if you would like some to post please contact me at [info@satva.ca](mailto:info@satva.ca) and I will forward some to you. And of course ride safe and wear your gear.

**909 INJURIES • 50 DEATHS**  
(in Saskatchewan since 2008-09) (in Saskatchewan since 2000)

Don't become an ATV statistic...

### **New Club**

SATVA would like to welcome its newest member club the MudSlutz. The club is headquartered in Regina, but has members all over the province. You can check out their website at [mudslutz.ca](http://mudslutz.ca).

### **Moose Mountain Park**

In mid-August the water subsided enough to allow some of the ATV trails to open in Moose Mountain Park, however they were only available to Sept 7, 2014. I took a ride down there on September 6, 2014 and thoroughly enjoyed the ride. We are going to continue to work with Moose Mountain to keep the ATV trails in the park.

### **Trespassing**

SATVA reminds ATV riders to not go onto private property without permission. This is especially true of farm land where farmers are in the middle of a difficult harvest. Nothing hurts the reputation of ATV riders like trespassing. It causes land owners to not want anything to do with ATV's.

### Dealer/Manufacture Members

A number of ATV dealers are members of SATVA, along with several of their dealers. Check the SATVA website for their names and locations. Their support is greatly appreciated.

### CASI ATV Training

As always we'd like to remind riders that Saskatchewan has 6 certified CASI ATV instructors in the province. ATV training is required, by law, for anyone 12 to 15 years old (and anyone who doesn't have a driver's license), when operating on public property. As well this training is valuable for anyone to improve their safety and riding skills. To sign up for an ATV Safety Course, visit [www.satva.ca](http://www.satva.ca) where you'll find a link on the main page to register online.
